

POST-CONVICTION REVIEW, “COLD CASES,” AND INVESTIGATIVE GENEALOGY

Thursday, April 22, 2021 | 5:30 p.m. – 7:40 p.m.

Zoom webinar link to be provided

Format: Alternative, verifiable, live webinar/webconference with synchronous interactivity

This program will examine criminal conviction review in light of claims of actual innocence. It will explore “cold case” re-investigations prompted once a wrongful conviction is overturned and an innocent person is freed. Finally, the program will discuss solving cold cases and overturning convictions through the use of DNA and investigative genealogy.
